CAREER OBJECTIVES:-

To be associated with progressive organization that gives me scope to update my knowledge and skills in according with latest trends and be part of a team this works towards the growth of organization and gain satisfaction thereof.

EDUCATIONAL QUALIFICATION:-

Diploma in Metallurgical Engineering (D.MET.E) At Govt. Polytechnics, Visakhapatnam.

EXPERIENCE:-

- 24 Years experience in various companies
- Worked as a senior shift incharge at Sri Girija Smelters Ltd Raipur for 5 years
- FACOR Alloys Ltd Garividi for 3 years as a junior Manager
- Executive Engineer in Jindal Stainless Ltd At Jajpur
- Assistant Manager in Adhunik Metaliks Ltd. At Rourkela for 1 year
- Assistant Manager in SPS Steel and Power Ltd. At Jharsuguda for 1 year
- As a Sr.Manager in Abhijeet Ferrotech Ltd. At Atchuthapuram, Visakhapatnam(14 year) till date

EXPERIENCE IN THE PRODUCT OF:-

High Carbon Ferro Manganese

High Carbon Silico Manganese

High Carbon Ferro Chrome

Theoretical knowledge about ferro silicon

ABOUT PREVIOUS AND PRESENT ORGANIZATION:-

- **SRI GIRIJA SMELTERS LIMITED:**

No. Of furnaces- 2, Capacity- 3.5 MVA

Product: - High Carbon Ferro Manganese

High Carbon Silico Manganese

- **FACOR ALLOYS LIMITED:**

No. Of furnace- 3, Capacity – 16 MVA & 7.5 MVA

Product: - High Carbon Ferro Chrome

- **ADHUNIK METALIKS LIMITED:**

No. Of furnace- 3, 1 - 7.5MVA, 2 - 9 MVA, 3 - 11 MVA

Product:- High Carbon Ferro Chrome

High Carbon Ferro Manganese

High Carbon Silico Manganese

- **SPS STEELS AND POWER LIMITED:**

no. Of furnace- 2, capacity- 16.5 MVA

Product - High Carbon Silico Manganese

- **ABHIJEET FERROTECH LIMITED:**

no. Of furnace- 8, capacity – 22.5 MVA

Product- High Carbon Silico Manganese

High Carbon Ferro Manganese

- **WORK HISTORY:**

* My career started in “SRI GIRIJA SMELTERS.LTD” as control room operator in “RAIPUR”.

* From there I have learnt all furnace and control room parameters and operations from my Superiors.

* Also with in a short period of time I was promoted as a shift incharge.

- * As a shift incharge I took care that both tapping and separation system operations are performed on time and successfully.
- * I carefully looked after the metal and slag flow and assumed the MNO percentage and Reverified it with the samples bought to me.
- * I ensured that both metal and slag are totally drained after each tapping.
- * In the same organization I also learnt "HCFeMn" and "HCSiMn" product operations.
- * Then after moved to "FACOR.LTD" in "Garavidi" to start a new journey in my carrer as a Junior manager.
- * As a junior manager I came across and learnt a new product "HCFeCr".
- * During working in this organization I was able to predict the silicon percentage in the metal during its flow and was able to tell the approximate silicon value by looking at the sample.
- * I was also able to approximately predict the "Cr2O3" and "Sio2" percentage in the slag during its flow and physical examination.
- * Here after I began a new chapter in my profession as a "ASST.Manager" in "ADHUNIK METALIKS. LTD" in" ROURKELA".
- * Here I continued to deal with the operations of the same products that I learnt in previous Organizations ("HCFeMn", "HCSiMn", "HCFeCr").
- * After a short tenure of working I shifted to "SPS STEELS AND POWER LTD" in "JHARSUGUDA" Same as "ASST.Manager".
- * In this particular organization the team in which I worked witnessed the start up of a new furnace.
- * The first tapping in this organization was perfomed under my survalience.
- * Here I was first to teach and implement the separation system to juniors, tappers and Colleagues.
- * Here also I learnt and continued with the operations of "HCSiMn" .
- * Then after I joined "ABHIJEET FERROTECH.LTD" in "ATCHUTHAPURAM" as "Deputy.Manager".
- * Here as deputy Manager I individually managed 8 furnaces activities in each shift.
- * Then after I got promoted as Manager of 2 furnaces and with in 2 years of span I got promoted as senior manager for 2 furnace operations.
- * Here I exclusively learnt about CCM operations and Slag Granualation.
- * I continued to deal with "HCFeMn", "HCSiMn" product operations .
- * Now Iam working as Senior manager of 2 furnaces and I had flourishing work experience of 24 years.

PERSONAL INFORMATION:-

NAME : S.APPALARAJU

FATHER'S NAME : S.SATYANARAYANA

DATE OF BIRTH : 18TH JUNE 1978

NATIONALITY : INDIAN

GENDER : MALE

MARITAL STATUS : MARRIED

LANGUAGES KNOWN : TELUGU, ENGLISH, HINDI

PRESENT ADDRESS : S.APPALARAJU,
D/NO. 26-45-1,
MEHER NAGAR,
OLD GAJUWAKA,
VISAKHAPATNAM-530026.

PERMANENT ADDRESS : S.APPALARAJU,
S/O SATYANARAYANA (LATE),
